

Greetings everyone,

This message is to let you know that [Pathway Yoga](#) is looking for a compatible partner to share our space.

We've been at our current location in the heart of Westboro for many years. It is a walk-up unit on the second floor, with beautiful wood floors, lots of natural light, windows that open, and an active air purifier with HEPA filter.

We have done reasonably well through the pandemic, offering classes and workshops online and at the studio when permitted. Our lease is up for renewal September 1. We will still be teaching some virtual classes then, because a number of our students prefer the convenience and security of online classes or live in other cities.

Because the space sits empty for quite a few hours each week, we are looking for a compatible partner, such as a yoga/qi gong/meditation teacher or group, who might be interested in sharing the space and rent on something like a 1/3 (partner) and 2/3 (Pathway Yoga) basis.

The current rent is about \$3000/month. The current schedule is available [here](#), to give you an idea of when the studio is free. We are open to discussing adjustments to the schedule. And we are willing to share our yoga props.

Please share our message with anyone who might be interested and compatible, and we would be delighted to answer any questions about the availability, cost and parameters of sub-leasing the space. Thank you!
